For the Baily Sentinel. A DREAM OF 1855. had a droum; but 'twas not all a dream," I thought I stood apon a fair high hill, And werest along the vists of the past, The well that shrouded other days, was togst a white and accuse of other years passed by-Bule bark upon the stormy waves Of broad Atlantic, bravely ploughed its way; respite the rough, rade winds, or threat'ring sky turburer it kept, nor turned uside from fear; Sauch hearts were there, that put their trust in God, and hearts strong in their love of liberty; enable in dangers of the doop they'd fixed, and boully sought them homes in Western wilds, your thom alters in a distant land. Whose such might worship God as he thought fit.

A phonone came o'er the spirit of my dream,"
A remark bleak const rose up before my view,
inclusions spore chill, the snow fell thick and fast The the underers in their forest home, For home it was, said liberty was theirs.
Though but the ground beneath, and sky o'er head.
That they might claim to specor or protect. But strong their arms, though numbers few, to repe The attack of face, who sought, but to destroy. and muck-eyed Faith stood ever near to cheer.

"A change came o'er the spirit of my dream," The smoot of buttle veiled the hard, and loud the clang of armor sounded on the air, The bloody God of war his chariot drove O'er penceful homes, and Ruin followed quick Upon his track : and Desolation spread Her withering, blighting breath wher'er he stood. Nor were they strangers fighting on that soll, The parent sought to crush, that, it had given life, By sess of binody cruelty and wrong. Mostly they'd bent beneath the tyrants rod, But now they dured resist, "Since so oppressed 'That man must arm, and woman call on God." Nobly they fooglet, to win a freeman's grave, And with their blood buy freedom for their sons; They struck for life, their liberty, their all. "A change came o'er the spirit of my dream,"

The din of war was hushed and Peace , restored, In triumphisproad her pinious out to guard The land, whose liberty was bought with blood; Wisdom presided at each cowner? feast; Heart beat to heart, and hand to hand lent aid; And thus in somew bound, she made her strength; Her ressels found a home on every son, And on each distant coast a welcome met; Klags knelt to do her reverence, and tyrants qual For four of her who'd broke the captives' chain; She thing her guins of free com open wide, And budgille gamen and organized come inand wetcomed with a brother's heart and hand, ALL who would find a none among the free.

A change came o'er the spirit of my dream,"
Pense field affrighted from her resting place: Disunion rearest aloft her hideous form And sundered wide the tends which love had mad No more the affer found him home and friends, And curves loud bucause he dared be free; The memory of the Patriots was lorget Or thought of, but to be revised and mocked; Disorder reigned, and eries for blood were heard, And much I feered God would call to account, KATE LANDLEY.

who are interested in the science of medicine, to the advertisement of this institution in another column. The facilities for instruction are unsurpassed; and we learn from Struction are unsurpassed; and the facilities for insurpassed; and the facilities for insurpassed; and the facilities

fees are reasonable, a fact not to be disregarded these hard times.

with the times; and so you are in some things, ly enough to keep your readers informed.

South had been the seat of wealth and happiness, of power and opulence; that a rich population covered the land, dispensing baronial hospitality, and diffusing the following articles are followed and the following articles and followed are consumed in the United States Hotel, hospitality, and diffusing the following articles are followed as follows:

A being called as a juror and examined by the Court, for which he had to answer in court. Some time search the hard in the following list, at must be borne in mind that in the following list, at must be borne in mind that in the following list, at must be borne in mind that in the following list, at must be borne in mind that in the following list, at must be borne in mind that of the solen to the reality, as this in the following list, not without similitude to the reality, as this will be acting as the grass of the following list, at must be borne in mind that in the following list, not without similitude to the reality, as this mind was free to decide the large of their domestic institutions, irritating as it were consumed in the United States Hotel, at Saratoga Springs, during the week ending to constitutions as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualifications as such, said, that he had not touching his qualificatio not without similitude to the reality, as this writer can testify; for he was old enough to have seen (after the Revolution) the still surviving state of southern colonial manners, held him to bail in the sum of \$1,000 for his stances which may not again arise in the next stances which may not aga

The Catholic Telegraph says that the congregation of Catholics at Sidney is small, and that they had been laboring a Railroad. It is thought that there will be no is small, and that they had been laboring a Railroad. It is thought that there will be no

For the State Sentinel. Abolitionism.

Abolitionists have recently made a new liscovery. They have made the sublime

equal rights and privileges to the people of each and every State in the Union? The Constitution also provided and declared that twenty years, and said provision was inserted and made irrepealable for the special benefit of and made irrepealable for the special benefit of the Yankees who owned the most of the ships of the country, and who desired to become enriched by that traffic. Does that Key Stone State, the high literary and social clause in the Constitution prove, or look like the framers of that instrument hated slavery, (as Abolitionists contend they did,) or that they desired its extinction? Any man that these compliments proceeds, combined tocan believe that the privilege of importing slaves into the country for twenty years, did

not look rather to the perpetuity of the insti-tution than to its annihilation, must not have one tdea above a goose. Abolitionists, of the present day, would have the people believe, that the twenty years that were allowed for the importation of And much I ferred God would call to account,
Those who were fighting in the blood-stained, Now.

Exer Leaves.
